FUNDS AFFECTED: X GENERAL

IMPACT: State

Summary of Legislation: This bill delays the effective date of the Uninsured Parents Program (UPP) for two years. The bill reinstates the Hospital Care for the Indigent (HCI) program (which was otherwise repealed July 1, 2004) until June 30, 2004.

Effective Date: July 1, 2000 (retroactive); January 1, 2002 (retroactive); July 1, 2002; July 1, 2003.

Explanation of State Expenditures: There should be no net impact from reinstating the HCI program. The Uninsured Parents Program was established by SEA 561-2001, and its implementation was not expected to have an impact on state expenditures. Consequently, delaying the implementation of the UPP by two years should have no fiscal impact.
